All purchasers of Firearms by Postal Bid will receive an invoice for their purchases and must provide their Police Mail Order Sales form and payment (if not made by Direct Credit) before any items will be despatched.

Please ensure you provide the correct parcel address with your postal bid.

All Firearms purchased by a Postal bid will be sent by the Dealer to your Dealer and will incur packaging and freight costs.

No Postal bids for ammunition and powder or Dangerous Goods will be accepted.

Postal bids should be in the hands of the organizers no later than 5.00pm on Thursday 18th September 2025.

Conditions of Sale:

Although every effort has been made to describe each lot accurately no warranty is given. Neither the Auctioneer, NZ Antique Arms Association (Otago Branch) nor the Vendor is responsible for the authenticity of any item or faults in any lot. All lots are sold as collector's items only and are not sold as suitable for any other purpose. We cannot accept any responsibility if items are not in working order as no internal inspection or tests of mechanisms has been made.

German and Nazi Items:

Due to the large number of reproductions, including some apparently made from original moulds and dies, no guarantee of authenticity can be given.

While items are catalogued with care, all purchasers including postal bidders must satisfy themselves as to the authenticity of any lot.

The highest bidder shall be the buyer at the "Hammer Price" and any dispute shall be settled at the Auctioneer's absolute discretion.

Payment & Buyers premium:

A **Buyers Premium of 10%** is payable for all purchases on the "Hammer Price" for items purchased through the auction (including Postal Bids).

Bidders attending the auction will be required to pay for the lots (including the Buyer's Premium) during or at the conclusion of the auction by cash or EFTPOS.

Postal Bids:

We welcome postal bids from NZ Antique and Historical Arms Association bidders who are unable to attend the auction for any lots specified, providing the correct Postal Bidding procedure is observed.

If you are using the Postal Bidding Form please complete the details including the lot number and the maximum bid for each lot, sign the form and post it to:

New Zealand Antique Arms Association (Otago Branch)
P.O. Box 2215
South Dunedin

OR

Email to: otagonzaaasec@gmail.com

Either way to arrive no later than **5.00pm on Thursday 18th September 2025.**

Successful bidders will be requested to forward, by return mail or email address (provided prior), the cost of the lots purchased, plus the buyer's premium, the cost of postage, freight and packaging charges if applicable.

Failing prompt receipt of the amount requested the buyer's rights will be forfeited. As postal bids come to hand, lot numbers and bids will be noted in order of receipt and if identical bids are received, the bid that arrived first will take precedence.

It is the responsibility of all purchasers to obtain the necessary permits to procure before any restricted or registerable items can be uplifted. An Arms Officer will be in attendance at the auction and will be working in conjunction with our Licenced Firearms Dealer.

Postal bidders are advised that the parcels for successful bids will be wrapped and addressed during the WEEK after the auction. Costs are committed at this stage, in terms of Track Pack bags. Changing your instructions for delivery creates a great many problems and costs may be recovered from the buyer in these circumstances.

Whilst the NZ Antique Arms Association (Otago Branch) will ensure all care is taken during the transport and storage of items, the agreement between the Branch and the Vendor indemnifies the Branch from any loss or damage to items that may be incurred.

All lots become the responsibility of the purchaser at the fall of the hammer and the NZ Antique Arms Association (Otago Branch) takes no responsibility for any loss or damage incurred after that time. Items are shipped at the purchaser's risk.

Please ensure that your delivery address on the Postal Bidder sheet is the final one for the delivery of the items.

Firearms Purchases. Under the 1983 Arms Act, all postal purchases of firearms must be approved by your local Arms Officer on the approved form. The police will then forward the form to our Arms Dealer.

All Firearms purchased by a Postal will be sent Dealer to Dealer and will incur packaging and freight costs.

Thank you for your interest and we trust that you will enjoy the auction and your time here in Dunedin. Good luck with your bidding!
